Message from the Bishop

I wholeheartedly welcome the introduction of the Pope John Paul II Award in our diocese. This Award calls our young people to deepen their relationship with Christ and to live out their faith in generous service to others. The young people of our diocese are a great blessing and we need their unique gifts in our communities. Pope Francis reminded us of how much their contribution is valued at World Youth Day 2013 in Rio de Janeiro when he gave this message to the young people of the world: *"The Church needs you, your enthusiasm, your creativity and the joy that is so characteristic of you.... You can be joyful witnesses of His love, courageous witnesses of His Gospel, carrying to this world a ray of His light."*

Pope Francis was following in the footsteps of Pope John Paul II who inaugurated the World Youth Days many years earlier to express his love for young people and his confidence in them. In 1995 at World Youth Day in Manila, Pope John Paul II directed a personal question at each young person: *"Are you capable of giving of yourself, your time, your energies, your talents, for the good of others? Are you capable of love? If you are, the Church and society can expect great things from each one of you."*

The Pope John Paul II Award will give an opportunity to our young people to respond to that same question by reflecting on their faith and putting that faith into action. I invite our parishes and our schools to accompany young people in this endeavour and I thank all who will be involved in supporting this initiative.

Most of all I invite you, the young people of Hexham and Newcastle Diocese, to respond to the challenge that this Award offers you and to participate in the life and mission of our diocese. You are vitally important to the Church of Hexham and Newcastle. Together we are called to travel with hope on the great adventure of faith and to seek to be witnesses to the Gospel building God's kingdom of truth, justice and love in our world.

+ Seamus Cunningham
Bishop of Hexham and Newcastle

Pope John Paul II Award

The Award was created to commemorate the late Pope John Paul II who was so committed to young people and who had such belief and confidence in them.

Through the Pope John Paul II Award, young people in the Hexham and Newcastle Diocese will be enabled to take an active part in the life of their Church, in the life of their community and society, and also become more aware of the teaching and role of the Catholic Church in the world. This will enable young people to engage at a deep level with Christ, whose body the Church is.

It will allow young people to understand that religion and faith are not just for learning, nor are they a list of rules, but that they are for living.

Parish Involvement

Encouraging Parish Involvement

When we are baptised we become members of the Body of Christ. This means that we are called to be the presence of Christ in the world. As the Body of Christ, we belong to the community of the Church. We live out this belonging in our parish. For the Church, for the Body of Christ to be fully alive everybody needs to be actively involved. There are many things we can do in our parish.

Examples of activities that can be done for your Award in the parish are:

- Reading at Mass
- Altar Server
- Eucharistic Minister
- Member of choir/music group
- Children's Liturgy of the Word
- Composing prayers of the faithful
- Welcomer at Mass
- Helping with sacramental preparation
- Preparing articles for the parish bulletin
- Church decoration/flower arranging/church cleaning

There may be other activities that you are involved in that are not included here but may be relevant, if so, please contact the Pope John Paul II Award Committee through your Parish or School Co-ordinator, for approval.

Social Awareness

Encouraging Social Awareness

As members of the Body of Christ, through baptism, we make Christ present by the way we treat others. Our faith is lived out most fully in our actions, which is why it is important to be aware of the needs of others and to minister to their needs. That is why 'Social Awareness' is such an important aspect of this Award.

Examples of activities in the area of Social Awareness that you could do for your Award are:

- Member of St. Vincent de Paul
- Young leader for CAFOD
- Young leader at parish youth group
- Running a fair trade stall
- Fundraising for a charity
- Regular visitation of residential homes
- Supporting a residential retreat for young people
- Working with the homeless
- Raising awareness of the needs of others
- Volunteering on a parish or community project to support the vulnerable, e.g. Justice and Peace

There may be other activities that you are involved in that are not included here but may be relevant, if so, please contact the Pope John Paul II Award Committee through your Parish or School Co-ordinator, for approval.

Presentation

Preparing the Presentation

When the participant completes the Parish Involvement and the Social Awareness sections of the Award she/he prepares a presentation. This presentation may be written (approx 1500 words) or presented through multi-media or a portfolio. On request it can take the form of an oral presentation which will be recorded and then transcribed.

The Presentation is to include:

- A personal reflection and evaluation on any one activity carried out for the Award.
- The teaching of the Church that is relevant to the activity (e.g. visiting a residential home - teaching of the Church in relation to the care of the elderly and vulnerable. Reading at Mass - teaching of the Church in relation to the Word of God).
- An answer to the question - What does it mean to be a baptised member of the Church?

Through the Presentation, the participant will show a knowledge and understanding of what they did within the context of the Church. Their role within the Church will become more apparent.
