

Safeguarding information for those *aged 18 years and over* participating in the Pope John Paul II Award

The Pope John Paul II Award values and encourages the participation of young people in activities which allow them to live their faith in Jesus Christ in their parish and wider community. The Award is designed to facilitate involvement in school, parish and community activities.

We appreciate that the safety of children is paramount, and to this effect all activities will be carried out in accordance with the Safeguarding Children Policy and Standards for the Catholic Church in England and Wales, the diocesan Safeguarding Policy & Procedures, including Codes of Behaviour for Adults and Code of Behaviour with Children.

When a young person carries out voluntary work with organisations outside the school, parish or diocese, those organisations are to be named on the Award's Parish & Social Activities Form and need to be approved by the Pope John Paul II Award Committee.

The following protocol applies to those who engage in the Award:

1. Those participating in the Award who are aged 18 years and over must complete and sign this application form prior to engagement in the Award.
2. Both the completed Application and the Parish & Social Activities Form must be given to the Award Leader or Parish Coordinator prior to engagement in the Award.
3. The parish/school will ensure there is adequate supervision and a safe environment for participants to carry out their chosen activities through school or parish.
4. Specific activities may require additional consent at the discretion of either, the Pope John Paul II Award Committee/Coordinator and Award Leader, or both.
5. Where possible, it is highly recommended that participants of the Award carry out their parish involvement and social awareness activities in groups of two or more.
6. All Award participants who have a role in working with children or vulnerable adults must complete the safeguarding awareness programme. In addition, those participants working with children or vulnerable adults who meet the requirements for vetting in their jurisdiction **MUST** be vetted (in England and Wales this will involve the acquisition of the appropriate DBS certificate). Activity leaders must determine which participants need to be vetted.
7. Participants must act in accordance with the diocesan Safeguarding Policy & Procedures, including the Codes of Behaviour for Adults and Code of Behaviour with Children.
8. Award Leaders/Parish Coordinators must be vetted and work in accordance with the Codes of Behaviour for Adults and Code of Behaviour with Children.
9. Photographs may be taken of participants with their consent during Award activities/trips to help promote the Award. Photographs **MUST NOT** be posted on social media websites without the prior consent of the participant, and leader.
10. Participants may be asked to provide an email and mobile phone number for communication. These details will only be used by the leaders for Award related activities. Texts and emails may be used to promote Award events. ***If you are unhappy with this please inform the Award Leader/Coordinator.***
11. Participants medical conditions or dietary requirements are the responsibility of the participant. Please make the Award Leader/Coordinator aware of any medical conditions, special needs or dietary requirements you may have. ***Please Note: Award Leaders/Coordinators cannot administer any medication.***
12. External organisations outside diocese, school and parish will complete the Pope John Paul II Award Safeguarding Agreement Form to state they can provide a safe environment for Award participants and have adequate supervision and insurance in place.
13. The participating diocese only accepts liability or responsibility for an incident caused by the negligence or breach of statutory duty of the diocese, its servants or agents.
14. By signing this Pope John Paul II Award Application Form, you are taking responsibility for the safety and well-being of yourself during activities that take place outside the scope of the diocesan Safeguarding Policy & Procedures.
15. The Pope John Paul II Award does its best to ensure that your personal information is secure so that your confidentiality is maintained.
